Yes. Region 7 has the geo-probe and the expertise to use it.

**Subject:** Request for Funds for Central Sands Dairy

Cheryl,

Based on our recent conversations, I sent your request for funds by email to ECAT for consideration. I changed the request to \$15,000 to remove the payroll component.

I am getting replies so far that look favorable. However, two people asked why we need Region 7 help here. If it is because of their expertise, then it was suggested that you can get the money contingent on R5 getting the expertise.

If it is because you want their geo-probe, it was suggested that R5 SFD might have one.

Thoughts?
